

Jenna Mittleman, Principal
Los Paseos Elementary

"Belong together, work together, succeed together"

July 11, 2017

Dearest Panther Families,

I trust that your summer is full of exciting books, sunshine, and special moments with family and friends. Los Paseos has been my home away from home since 2002, when I began my teaching career and I have loved every step of this journey. It has been an honor to further develop genuine relationships with the students, staff, and community of Los Paseos. As the instructional leader for the last four years, I feel humbled to have worked with the dedicated staff of our school community.

Collectively, we need to celebrate our accomplishments thus far:

- Quality first instruction
- Embracing student differences as part of our school culture
- PAWSitive behavior expectations for ALL students
- Special Education classes built around inclusion
- Multi-tiered systems of support
- Data-driven instruction and interventions
- Family and community partnerships
- Collaboration and Staff-driven professional development

....and the list of our community achievements will continue to thrive.

It is with mixed emotions that I am announcing the departure of my physical presence at Los Paseos. I have accepted a position as the Interim Director of Special Education in Morgan Hill Unified where I will further enhance my personal passion and our district's vision of supporting ALL students. I look forward to continuing to support Los Paseos, as well as all our other sites, in my new role.

Next week, an Interim Principal will be identified who will continue the positive work at Los Paseos, building on the vision of Morgan Hill Unified School District. I look forward to providing support to the new Interim Principal to ensure a smooth transition for all.

Shine on Panthers! You make me proud!

Best,

Jenna Mittleman
