

## NEW DIGITAL FLYER DELIVERY AND WEBSITE UPDATE COMING SOON!

In the coming weeks, our district and school websites will be getting a refresh! At that time, our school will be launching a new digital flyer communication tool called “Peachjar.” Since the school year is coming to a close, this change will have its biggest impact on our families when we come back to school in August. We’ve included some helpful information so that you will feel prepared and comfortable with this new system when we return from summer break.

To view school-approved digital flyers, you will simply click the Peachjar button at the top of the school’s website:

This “green” initiative will save our schools tons of paper and reduce copy costs by thousands of dollars. On top of that, posting school flyers in this electronic backpack removes a significant administrative burden from teachers, office staff, and volunteers.

**No action is required on your part.** You will receive a welcome email from our service provider (Peachjar) that includes a username and password. This is provided to give you the opportunity to manage your account and flyer delivery preferences. You do not need to login to receive or view school digital flyers.

To ensure smooth delivery of this communication, we suggest you add “school@peachjar.com” to your email contacts. When you receive your first eflyer, be sure to click “always display images.”

This system is used exclusively for distribution of school-approved flyers. Your email address will not be shared or used for any other purpose.

Thank you for supporting our efforts to ensure families are well-informed about school programs, activities, and events.
